Department of Pharmaceutical Botany, Ankara University, Faculty of Pharmacy, Ankara, Türkiye

About the Trends in Pharmacy

Trends in Pharmacy (Trends Pharm) is a peer-reviewed, open access, online-only journal published by IUC University Press.

Trends in Pharmacy is a triannual journal published in English in April, August, and December.

Abstracting and indexing

Trends in Pharmacy aims to be covered by most of the major indexes in the near future.

All content published in the journal is permanently archived in Portico.

Aims, Scope, and Audience

Trends in Pharmacy aims to contribute to the literature by publishing manuscripts of the articles, reviews, rare case reports, and letters to the editors that adhere to ethical guidelines. The scope of the journal includes, but is not limited to, Pharmacy, Pharmaceutical Technology, Pharmacology, Pharmacognosy, Pharmaceutical Toxicology, Pharmaceutical Chemistry, Pharmaceutical Botany, Analytical Chemistry, Biochemistry, Pharmaceutical Microbiology, and Basic Pharmaceutical Sciences.

The journal's target audience includes researchers, professionals, and specialists who are working in and interested in the field of pharmacy and related disciplines.
